Subject: Regarding MY Bharat Portal Registration.

MY Bharat stands as a groundbreaking initiative by the Ministry of Youth Affairs and Sports, dedicated to youth empowerment. Designed with the aspirations of India's youth at its core, MY Bharat is a one-stop portal for individuals aged 15 to 29. It offers Experiential Learning Opportunities to acquire real-world experiences across diverse industries, meaningful Volunteer for Bharat initiatives to inspire community engagement, and a treasure trove of resources, mentorship programs, and industry connections to unlock endless potential.

These programs provide hands-on opportunities to develop essential skills, and contribute meaningfully to society. By immersing themselves in diverse fields, participants can bridge the gap between theoretical knowledge and practical implementation, fostering a deeper understanding and appreciation for their chosen career paths.

In view of the above information you are suggested to Organize Special Drive for Student Registration on MY Bharat Portal. Further for expediting the process the following steps are suggested:

1. Designate a nodal officer to lead the registration drive.
2. Organize awareness sessions, workshops, or campus campaigns within the next two weeks.
3. Ensure maximum enrollment by integrating this with existing student activities.

Your support will empower our youth and align with national goals..
