It imparts practical training to prepare the youth for politics and society. It encourages youth to serve the society by entering into public life and assuming roles. IYP conducts an unique and nationally significant 1-day annual Youth Assembly in the month of April and three days Indian Youth Parliament on 15th to 17th September, on the occasion of World democracy Day each year.

Indian Youth Parliament envisages that motivated, committed and political youth leaders will emerge to provide a positive and effective leadership to their country and practice morality and politics for the betterment of the country and the world.

To create a common platform for young student leaders. To facilitate interaction with eminent leaders from different sectors. To sensitize the participants to think on regional, national and global issues. To focus on the areas which need immediate attention followed by action. To create solidarity and a sense of togetherness among the participants for future cooperation. To foster brotherhood and mutual understanding. To inculcate democratic outlook. To initiate a process to attain equality and social harmony.

It seeks to transform the outlook of young minds for their involvement and access in societal and rational causes for nurturing the dreams and aspirations of young and resurgent faces of India for strengthening the foundation of Indian democratic leadership. It imparts practical leadership training to prepare the youth for future leadership in the fields of politics, journalism and varied social services. It encourages the students to serve the society by entering into public life and assuming leadership roles.

IYP is an independent and neutral organization that does not take political positions on the issues it addresses. It rather a non-political organization established to transform the outlook of young minds for their involvement and access in societal and rational causes for nurturing the dreams and aspirations of young and resurgent faces of India for strengthening the foundation of Indian democratic leadership. Neither does it have any political affiliation of any sorts nor does it support any political ideology.

Indian Youth parliament is a foundation which is not funded or aided by any other organization. It tries to meet some of its expenses partly through participation fee and a few sponsorships. Indian Youth Parliament is a not-for-profit foundation. We are yet to generate any surpluses of any kind as organizing expenses are far more than the amount generated as explained above.
