

## **Department of Lifelong Learning, University of Rajasthan, Jaipur**

In pursuance of its cherished goal of providing relevant skills to different sections of society, DLL conducts various outreach programs. It is a matter of great pride and privilege that we have been able to accomplish a very successful summer camp for children belonging to the economically weak sections within University and our neighbors. Inaugurated by our Mayor Shree Nirmal Chand Nahta and our Hon'ble VC Shri Hanuman Singh Bhati on 10<sup>th</sup> May, this camp has been very participative and responses of children are very overwhelming . Skilled and enthusiastic instructors trained the children in art of self defense, soft skills acquisition, computer hardware basics, math, dance, English and art and craft. Having acquired requisite skills these children would demonstrate the same on 8<sup>th</sup> June at 5 pm in the closing ceremony being organized at humanities hall. It is a matter of great privileges that Shree Kalicharan Sarraf, Higher Education Minister, Rajasthan Government, as chief guest would bless the children on the occasion. We are grateful to Shri Kailash Chand Verma, MLA Bagru, who will be the special guest and our Hon'ble VC Shree Hanuman Singh Bhati, for presiding over the function and providing constant encouragement.

DLL and its entire group of enthusiastic summer camp organizers, cordially invite all members of university of Rajasthan to join us in blessing the summer camp participants for their achievement.
