ABOUT US

Women's Studies is an interdisciplinary field of research, teaching and activism that places gender at the centre of study. Women's Studies perspective is being incorporated by the UGC into different disciplines in Humanities and Social Sciences, Commerce & Law. The centre for Women's Studies was established in the University of Rajasthan, Jaipur in 1980's. The centre is committed to Gender Equality, Equality and Justice works to realize the same through academic pursuits and extension activities independently and in collaboration with other Centres, Departments, Government and NGO's. Since its inception the Centre has been functioning effectively in accordance with the guidelines of the UGC to "promote awareness among women and men, of the need to develop and utilize women's full potential as resource for national development in its economic, political and socio-cultural aspects, on the need to question existing values and of their social responsibilities to participate equally".
